## **Debt The First 5 000**

Debt: The First 5,000 Years is a book by anthropologist David Graeber published in 2011. It explores the historical relationship of debt with social institutions such as

# Access Free Debt The First 5 000 Years

barter, marriage, friendship, slavery, law, religion, war and government; in short, much of the fabric of human life in society. It draws on the history and anthropology of a number of civilizations, large and small, from the first known records of debt from Sumer in 3500 BC until the present.
