Design matters. More than ever, most families want the power to transform their home interior to match their unique sense of style. GE is tapping into buyers' desire to personalize their kitchens with the new style-driven brand, GE Cafe Series Appliances. With its signature Pro Style and Matte Finish, GE Cafe Series merges style and technology in the kitchen.

### GE Cafe Series Appliances - What You Need To Know Before ...

Café series appliances are styled after appliances in restaurant kitchens -- solid-looking frames, big control dials, hefty door handles. They're aimed at people who want an industrial look in their kitchen but don't need true professional-grade appliances, such as those in GE's top-of-the-line, commercial-quality Monogram series.
