The company produces both two-stroke and four-stroke outboard motors. Most of all, of course, are the four-stroke outboard motors of this brand. They are the most powerful, safe and reliable boat engines today. The Honda 4-stroke outboard motor is distinguished by its special reliability and practicality in use.

There's lots to find out about your new Honda outboard before you take it out on the water, and it's all in the Owner's manual that comes with it.

Features, functions and basic maintenance procedures - it's all very important stuff, so keep it in a safe place for reference and read it before you use the outboard for the first time.
