### 13.67MB HUNTER GATHERERS HISTORY ALIVE HANDOUTS As Pdf ...

The Old Stone (Paleolithic) Age began about 2 million years ago and lasted until about 8000 B.C.E. It was during this time that early modern humans developed. Like the hominids who came before them, early humans were hunter-gatherers. They wandered from place to place, looking for animals to hunt and plants to gather for food.

### CHAPTER

humans were hunter-gatherers. They wandered from place to place, hunting animals and gathering plants for food. Often, they took shelter in caves. Prehistoric cave painters left clues about their way of life. The New Stone Age, or Neolithic Age, began when people started to farm and produce their own food. The discovery of
