I Claudius From The Biography

I, Claudius is a historical novel by English writer Robert Graves, published in 1934. Written in the form of an autobiography of the Roman Emperor Claudius, it tells the history of the Julio-Claudian dynasty and the early years of the Roman Empire, from Julius Caesar's assassination in 44 BC to Caligula's assassination in AD 41. Though the narrative is largely fictionalized, most of the events ...

Claudius (like most of the members of his dynasty) harshly criticized his predecessors and relatives in surviving speeches. None of the works survive but live on as sources for the surviving histories of the Julio-Claudian dynasty. Suetonius quotes Claudius' autobiography once and must have used it as a source numerous times.
