27 Superdrol Facts You MUST know for Giant Muscle Gains - Without Destroying your Liver Superdrol is an anabolic steroid that's renowned for delivering inhumanly fast muscle and strength gains. And what's amazing is that you could once find Superdrol for sale at regular supplement stores. Methasterone, which many bodybuilders know as Superdrol, is an [...]

27 Superdrol Facts for Huge Muscle and Strength Gains

...

The results of subsequent assays to determine methasterone's anabolic and androgenic activity were published in Vida's *Androgens and Anabolic Agents*, a dated but still standard reference, where it was noted that methasterone possessed the oral bioavailability of methyltestosterone while being 400% as anabolic and 20% as androgenic, yielding a Q-ratio (anabolic to androgenic ratio) of 20, which is considered very high.
