other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The MAN TG-range is the range of trucks produced since 2000 by the German vehicle manufacturer MAN Truck & Bus. It is the successor to the original F2000, L2000, and M2000 series. It consisted of the TGA (now discontinued), TGL, TGM, TGS, and TGX. As of 2016 the TG range is made up of five models, with the introduction of the TGE light commercial vehicle, a rebadged Volkswagen Crafter
