Politics And Culture In Post

Post-truth politics (also called post-factual politics and post-reality politics) is a political culture in which debate is framed largely by appeals to emotion disconnected from the details of policy, and by the repeated assertion of talking points to which factual rebuttals are ignored. Post-truth differs from traditional contesting and falsifying of facts by relegating facts and expert ...

GEN — Political News, and Articles About Power and Culture

The politics of popular culture, howsoever post-modernist or post-colonial, is essentially the politics of the ways in which we see ourselves, just as the cultural, the social, and the economic are hardly easily distinguishable from each other. The relationship between popular culture and its two arms, commerce and profit, is highly problematic.
