By now, many
consumers know that
health insurance plans
are required by law to
cover 100 percent of
the costs for
preventive care.

However, a question
we often hear is, “What
is preventive care?”

Health Insurance Covers 100 Percent of Preventive Care

...

Acces PDF The Healthy Mac Preventive Care

What is preventive care? Preventive care includes things such as regular check-ups, screenings and immunizations. It may be covered without cost-sharing when you visit a doctor that is in your health plan's network. This type of care may also help you catch health problems before they become serious.
