The Law Of Property An

Property law is the area of law that governs the various forms of ownership in real property (land) and personal property. Property refers to legally protected claims to resources, such as land and personal property, including intellectual property. Property can be exchanged through contract law, and if property is violated, one could sue under tort law to protect it.

English property law refers to the law of acquisition, sharing and protection of valuable assets in England and Wales. While part of the United Kingdom, many elements of Scots property law are different. In England, property law encompasses four main topics: English land law, or the law of "real property"; English trusts law

English property law - Wikipedia

Personal property is any tangible property other than real property. While ownership and use of some personal property is regulated for public policy reasons, personal property rights law is generally much less rigid. Depending on the item, owners of personal property are free to lease, sell, and lend any item they own at will.
